Olive Harvesting

Pridham Viticulture can provide olive harvesting services utilising equipment such as the *OliNet* catching system and *Pellenc* Electronic Shakers for fast efficient olive harvesting. Pricing for 2008 includes 2 Pellenc Electronic Shakers and 1 or 2 other people to move the catching system or mats depending on the tree set up and crop load.

Schedule Of Fees

3 people + equipment - \$130.00p/h + GST

4 people + equipment - \$150.00p/h +GST

Approximate kg/rates

20kg per tree - .80c/kg

40kg per tree - .70c/kg

70kg per tree - .60c/kg

**Please note - Crop levels below 20kg per tree may not be economically viable to pick and process.
Variations in cost per kg will occur due to individual block conditions (topography, variety etc)**

Extras If Required

Bin pick up - Suzuki 4wd utility & 6x4 trailer - \$100.00 day

Suzuki 4wd utility & 3 bin tip trailer - \$200.00 day

3 bin tip trailer - \$90.00 per day

Transport to processing plant – POA
